

St. Thomas C.E Junior and Infant School

Year 1 Curriculum Overview Autumn Term 1

Our topic this half term is the famous five

<p>English: We will be looking at writing labels, list and captions, recounts and stories with a familiar setting.</p>	<p>Mathematics: We will be covering addition and subtraction, place value and money.</p>	<p>R.E: We will be looking at the harvest festival and why it is a special time of year for Christians.</p>
<p>Computing: We will be focusing on programming. We will be programming the B-bot to follow a route.</p>	<p>Music: We will be creating own piece of music using different instruments that reflects each of the seasons.</p>	<p>PE: We will be covering invasion games.</p>
<p>Additional Information:</p> <p>Trips and visits: Class assembly date: Parents evening dates:</p>		

In Art I will be learning:

- How to make prints.
- The art that William Morris produces.
- Make my own autumn picture based on the work of William Morris

As a Scientist I will be learning:

- About different light sources.
- How shadows are formed
- Why it looks like the sun is moving across the sky.
- Which animals come out at night and why

In Geography I will be learning;

- Why leaves fall to the ground in Autumn
- The different changes that happen in each season.
- The different weather that we get in each season.
- Locate different places on a world map using an atlas.
- To say the differences between hot and cold places.
- How to produce my own weather report.

As a Musician I will be learning;

To play musical instruments with expression and control, listening and observing carefully

To identify the beat and join in, getting faster and slower together

To recognise and explore how sounds can be organised
