

St. Thomas C.E Junior and Infant School

Year 4 Curriculum Overview Autumn Term 1

Our topic this half term is why were the Romans so powerful and what did we learn from them?

<p>English: We will be looking at explanations and writing stories with historical settings.</p>	<p>Mathematics: We will be covering place value, addition, subtraction, multiplication and division.</p>	<p>R.E: We will be looking at God and the psalms of David.</p>
<p>Computing: We will be focusing on being software developers using a computer software called Kodu.</p>	<p>Science: We will be learning all about how sound is created, how our ears work and we like some sounds more than others.</p>	<p>PE: We will be going to Golborne High School and learning many games and how to keep fit from the high school PE teachers.</p>
<p>Additional Information: Trips and visits: Dewa Museum, Chester, 13th September Class assembly date: Parents evening dates:</p>		

In Art I will be learning to:

- Design and create geometric patterns.
- Cut and shape ceramic tiles.
- Make a roman style mosaic.

As a Scientist, I will be learning to:

- take measurements using different equipment and units of measure and record what I have found in a range of ways.
- record and present what I have found using scientific language, drawings, labelled diagrams, bar

In ICT, I will be learning to;

- Develop an educational computer game.
- Begin to debug computer programs.
- Recognise the importance of user interface design.

In History, I will be learning to:

- place periods of history on a timeline The different changes that happen in each season.
- explain how events from the past have helped shape our lives.
- appreciate that wars have happened from a very long time ago and are often associated with invasion, conquering or religious differences.
- appreciate how items found belonging to the past are helping us to build up an accurate picture of how people lived in the past.
